

2007 Child Care in the State of: Alabama

The People¹

	AL	U.S.
Number of residents	4,442,558	288,378,137
Number of children ages 0 through 4	292,375	20,267,176
Number of children ages 0 through 4 living below poverty level	87,008	4,242,948
Number of children ages 5 through 11	355,681	24,780,636
Number of families	1,223,725	74,341,149
Number of single-parent headed families	187,474	10,947,374
Number of families below poverty level	167,857	7,605,363
Number of families below 200% of poverty level ²	387,000	20,152,000
Number of children under 18 below 200% of poverty level	469,000	28,539,000

Children Under 6 with Parents in the Labor Force¹

	AL	U.S.
In two-parent families, both parents in labor force	105,373	8,430,167
In single-parent families, parent in the labor force	95,806	5,416,501
Total children under 6 needing child care, as parents work	201,179	13,846,668

Women in the Labor Force¹

	AL	U.S.
With children under 6	135,050	9,001,384
Married with children under 18	237,541	16,132,802
Single with children under 18	119,082	6,705,437
Single living below poverty level with children under 5 ³	43,045	1,745,163

Child Care Costs, Family Incomes

	AL	U.S.
Average, annual fees paid for full-time center care ⁴ for an infant	\$5,969	\$4,388-\$14,647
Average, annual fees paid for full-time center care ⁴ for 4-year-old	\$4,976	\$3,794-\$10,920
Average, annual fees paid for full-time care for an infant in a family child-care home	\$4,931	\$4,128-\$9,508
Average, annual fees paid for full-time care for a 4-year-old in a family child-care home	\$4,572	\$3,536-\$9,002
Average, annual tuition and fees paid for state college ⁵	\$4,915	\$5,836
Ratio of full-time infant care in a center: state college tuition and fees	1.2:1	0.7:1 - 4.5:1
Cost of full-time care for an infant in a center, as percent of median income for single parents ⁶	37%	26%-65%
Median annual family income ⁷	\$46,086	\$55,832
Median annual family income of families with children under 18	\$43,094	\$53,607

¹ Unless otherwise noted, statistics in these sections are from the 2005 American Community Survey conducted by the U.S. Census Bureau (www.census.gov).

² Families and children below 200% of poverty level are estimates provided by the U.S. Census Bureau, CPS 2006 Annual Social and Economic Supplement, available at http://pubdb3.census.gov/macro/032006/pov/new46_001_185200.htm.

³ Includes all women, in and out of the labor force.

⁴ These data are derived from CCR&R data. AL state data was provided by Mobile, Birmingham and immediate surrounding counties only (Mobile, Baldwin, Clarke, Escambia, Monroe, Washington, Jefferson, Shelby, Walker, Blount). No data were available for the rest of the state.

⁵ Average price of 2006-2007 tuition and fees for public four-year colleges by state, from the College Board, *Trends in College Pricing, 2006*. (http://www.collegeboard.com/prod_downloads/press/cost06/06-pricing_charts.xls)

⁶ Cost of infant care in a center from CCR&R data. Median income for single female householder, children under 18, from 2005 American Community Survey.

⁷ From the 2005 American Community Survey.

Child Care Fee Assistance⁸

	AL	U.S.
Number of families served	14,900	1,027,800
Number of children served	27,100	1,782,000
Number of child care providers participating	3,163	720,563
Percent of subsidized children cared for in licensed centers/homes	75.8%	73%
Percent of subsidized children cared for by relatives	0.5%	14%
Percent of subsidized children cared for in other non-regulated care	13.1%	11%

Child Care Supply⁹

	AL	U.S.
Number of centers	985	110,600
Number of accredited child care centers ¹⁰	43	11,552
Percent of child care centers that are accredited	4.4%	10%
Number of family child care homes	346	237,900
Number of accredited family child care homes ¹¹	8	2,106
Percent of family child care homes that are accredited	2.3%	0.9%
Total number of child care spaces	46,349	≈ 10,600,000
Percent of slots that are in child care centers	83%	≈ 69%
Percent of slots that are in family child care homes	7%	≈ 18%

Child Care Demand¹²

	AL	U.S.
Percent requests for infant and toddler care	53%	47%
Percent requests for pre-school age care	24%	31%
Percent requests for school-age care	22%	22%
Percent requests for full-time care	49%	81%
Percent requests for part-time care	51%	19%
Percent requests for before and after-school care	5%	12%
Percent requests for non-traditional hour care	6%	27%

Workforce and Training¹³

	AL	U.S.
Number of child care workers (excludes self-employed providers)	9690	557,680
Average income for full-time, year-round child care provider	\$14,460	\$18,180
Number of training sessions held by CCR&R agencies for providers	832	≈ 74,300
Average number of providers attending per training session	15	8 to 46
Total number of providers trained by CCR&R agencies	4,363	≈ 505,000

Child Care Resource and Referral (CCR&R) Agencies

	AL	U.S.
Number of CCR&R agencies	15	846
Type of State Network ¹⁴		Voluntary

⁸ These statistics are provided by the Child Care Bureau (http://www2.acf.dhhs.gov/programs/ccb/data/ccdf_data/05acf800/list.htm), from 2005 Child Care Development Fund data, and are derived from monthly averages. Total number of child care providers includes paid relatives and other non-regulated caregivers.

⁹ Data are provided by the State R&R Network and are derived from CCR&R data.

¹⁰ The national number reflects the number of accredited programs as of February 2007, provided by the National Association for the Education of Young Children. The state number was provided by the State Network and reflects accreditations in addition to NAEYC.

¹¹ The national number reflects the number of accredited programs as of December 2006, provided by the National Association for Family Child Care Centers. The state number was provided by the State R&R Network and reflects accreditations in addition to NAFCC.

¹² These data are derived from CCR&R data.

¹³ Workforce data are derived from the 2005 Occupational Employment Statistics survey by the Bureau of Labor Statistics, U.S. Department of Labor (<http://www.bls.gov/news.release/ocwage.t01.htm>); Training data are derived from CCR&R data.

¹⁴ Coordinating and Managing networks have staff and are funded to coordinate the work of local CCR&Rs. Single Entity CCR&Rs cover an entire state. Voluntary networks rely on volunteers, and operate with little or no public funding.

2007 Child Care in the State of: Alaska

The People¹

	AK	U.S.
Number of residents	641,724	288,378,137
Number of children ages 0 through 4	49,204	20,267,176
Number of children ages 0 through 4 living below poverty level	6,494	4,242,948

Percent requests for infant and toddler care	57%	47%
Percent requests for pre-school age care	28%	31%
Percent requests for school-age care	15%	22%
Percent requests for full-time care	84%	81%
Percent requests for part-time care	16%	19%
Percent requests for before and after-school care	8%	12%
Percent requests for non-traditional hour care	7%	27%

Workforce and Training¹³

	AR	U.S.
Number of child care workers (excludes self-employed providers)	6440	557,680
Average income for full-time, year-round child care provider	\$14,050	\$18,180
Number of training sessions held by CCR&R agencies for providers	1,024	≈ 74,300
Average number of providers attending per training session	Not available	8 to 46
Total number of providers trained by CCR&R agencies	1,223	≈ 505,000

Child Care Resource and Referral (CCR&R) Agencies

	AR	U.S.
Number of CCR&R agencies	7	846
Type of State Network ¹⁴	Managing/	Coordinating

⁸ These statistics are provided by the Child Care Bureau (http://www2.acf.dhhs.gov/programs/ccb/data/ccdf_data/05acf800/list.htm), from 2005 Child Care Development Fund data, and are derived from monthly averages. Total number of child care providers includes paid relatives and other non-regulated caregivers.

⁹ Data are provided by the State R&R Network and are derived from CCR&R data.

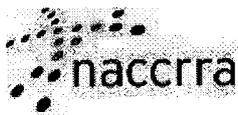

¹⁰ The national number reflects the number of accredited programs as of February 2007, provided by the National Association for the Education of Young Children. The state number was provided by the State Network and reflects accreditations in addition to NAEYC.

¹¹ The national number reflects the number of accredited programs as of December 2006, provided by the National Association for Family Child Care Centers. The state number was provided by the State R&R Network and reflects accreditations in addition to NAFCC.

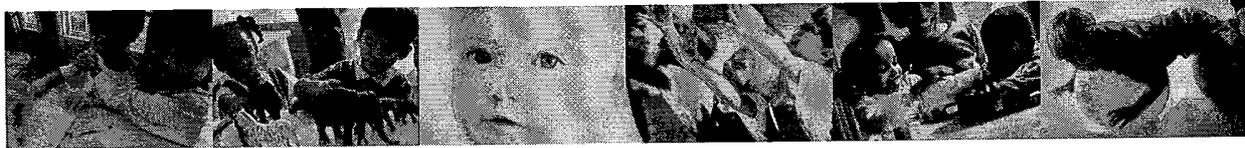

¹² These data are derived from CCR&R data.

¹³ Workforce data are derived from the 2005 Occupational Employment Statistics survey by the Bureau of Labor Statistics, U.S. Department of Labor (<http://www.bls.gov/news.release/ocwage.t01.htm>); Training data are derived from CCR&R data.

¹⁴ Coordinating and Managing networks have staff and are funded to coordinate the work of local CCR&Rs. Single Entity CCR&Rs cover an entire state. Voluntary networks rely on volunteers, and operate with little or no public funding.

2007 Child Care in the State of California

The People¹

	CA	U.S.
Number of residents	35,278,768	288,378,137
Number of children ages 0 through 4	2,679,311	20,267,176
Number of children ages 0 through 4 living below poverty level	517,509	4,242,948
Number of children ages 5 through 11	3,233,078	24,780,636
Number of families	8,281,119	74,341,149
Number of single-parent headed families	1,235,054	10,947,374
Number of families below poverty level	850,405	7,605,363
Number of families below 200% of poverty level ²	2,397,000	20,152,000
Number of children under 18 below 200% of poverty level	3,966,000	28,539,000

Children Under 6 with Parents in the Labor Force¹

	CA	U.S.
In two-parent families, both parents in labor force	1,016,040	8,430,167
In single-parent families, parent in the labor force	620,728	5,416,501
Total children under 6 needing child care, as parents work	1,636,768	13,846,668

Women in the Labor Force¹

	CA	U.S.
With children under 6	979,397	9,001,384
Married with children under 18	1,769,884	16,132,802
Single with children under 18	687,765	6,705,437
Single living below poverty level with children under 5 ³	159,136	1,745,163

Child Care Costs, Family Incomes

	CA	U.S.
Average, annual fees paid for full-time center care ⁴ for an infant	\$10,745	\$4,388-\$14,647
Average, annual fees paid for full-time center care ⁴ for 4-year-old	\$7,477	\$3,794-\$10,920
Average, annual fees paid for full-time care for an infant in a family child-care home	\$7,069	\$4,128-\$9,508
Average, annual fees paid for full-time care for a 4-year-old in a family child-care home	\$6,504	\$3,536-\$9,002
Average, annual tuition and fees paid for state college ⁵	\$4,560	\$5,836
Ratio of full-time infant care in a center: state college tuition and fees	2.4:1	0.7:1 - 4.5:1
Cost of full-time care for an infant in a center, as percent of median income for single parents ⁶	42%	26%-65%
Median annual family income ⁷	\$61,476	\$55,832
Median annual family income of families with children under 18	\$56,291	\$53,607

¹ Unless otherwise noted, statistics in these sections are from the 2005 American Community Survey conducted by the U.S. Census Bureau (www.census.gov).

² Families and children below 200% of poverty level are estimates provided by the U.S. Census Bureau, CPS 2006 Annual Social and Economic Supplement, available at http://pubdb3.census.gov/macro/032006/pov/new46_001_185200.htm.

³ Includes all women, in and out of the labor force.

⁴ These data are derived from CCR&R data.

⁵ Average price of 2006-2007 tuition and fees for public four-year colleges by state, from the College Board, *Trends in College Pricing, 2006*. (http://www.collegeboard.com/prod_downloads/press/cost06/06-pricing_charts.xls)

⁶ Cost of infant care in a center from CCR&R data. Median income for single female householder with children under 18 from 2005 American Community Survey, by state.

⁷ From the 2005 American Community Survey.

Child Care Fee Assistance⁸

	CA	U.S.
Number of families served	106,900	1,027,800
Number of children served	162,600	1,782,000

¹¹ The national number reflects the number of accredited programs as of December 2006, provided by the National Association for Family Child Care Centers. The state number was provided by the State R&R Network and reflects accreditations in addition to NAFCC.

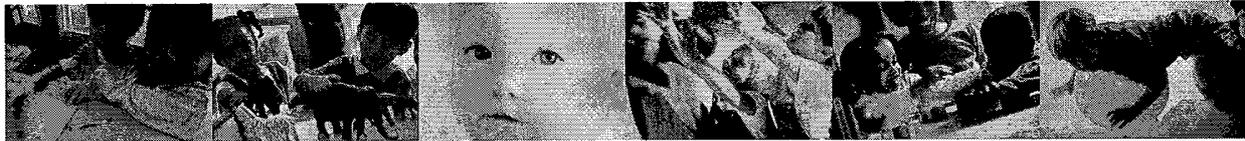

¹² These data are derived from CCR&R data.

¹³ Workforce data are derived from the 2005 Occupational Employment Statistics survey by the Bureau of Labor Statistics, U.S. Department of Labor (<http://www.bls.gov/news.release/ocwage.t01.htm>); Training data are derived from CCR&R data.

¹⁴ Coordinating and Managing networks have staff and are funded to coordinate the work of local CCR&Rs. Single Entity CCR&Rs cover an entire state. Voluntary networks rely on volunteers, and operate with little or no public funding.

2007 Child Care in the State of: Utah

The People¹

	UT	U.S.
Number of residents	2,427,350	288,378,137
Number of children ages 0 through 4	236,042	20,267,176
Number of children ages 0 through 4 living below poverty level	29,689	4,242,948
Number of children ages 5 through 11	258,164	24,780,636
Number of families	593,103	74,341,149
Number of single-parent headed families	62,465	10,947,374
Number of families below poverty level	47,313	7,605,363
Number of families below 200% of poverty level ²	150,000	20,152,000
Number of children under 18 below 200% of poverty level	269,000	28,539,000

Children Under 6 with Parents in the Labor Force¹

	UT	U.S.
In two-parent families, both parents in labor force	101,627	8,430,167
In single-parent families, parent in the labor force	34,952	5,416,501
Total children under 6 needing child care, as parents work	136,579	13,846,668

Women in the Labor Force¹

	UT	U.S.
With children under 6	92,293	9,001,384
Married with children under 18	152,840	16,132,802
Single with children under 18	37,994	6,705,437
Single living below poverty level with children under 5 ³	7,946	1,745,163

Child Care Costs, Family Incomes

	UT	U.S.
Average, annual fees paid for full-time center care ⁴ for an infant	\$6,768	\$4,388-\$14,647
Average, annual fees paid for full-time center care ⁴ for 4-year-old	\$5,112	\$3,794-\$10,920
Average, annual fees paid for full-time care for an infant in a family child-care home	\$5,040	\$4,128-\$9,508
Average, annual fees paid for full-time care for a 4-year-old in a family child-care home	\$4,500	\$3,536-\$9,002
Average, annual tuition and fees paid for state college ⁵	\$3,891	\$5,836
Ratio of full-time infant care in a center: state college tuition and fees	1.7:1	0.7:1 - 4.5:1
Cost of full-time care for an infant in a center, as percent of median income for single parents ⁶	27%	26%-65%
Median annual family income ⁷	\$54,595	\$55,832
Median annual family income of families with children under 18	\$51,988	\$53,607

¹ Unless otherwise noted, statistics in these sections are from the 2005 American Community Survey conducted by the U.S. Census Bureau (www.census.gov).

² Families and children below 200% of poverty level are estimates provided by the U.S. Census Bureau, CPS 2006 Annual Social and Economic Supplement, available at http://pubdb3.census.gov/macro/032006/pov/new46_001_185200.htm.

³ Includes all women, in and out of the labor force.

⁴ These data are derived from CCR&R data. UT state data are provided by the CCR&R and are 75th percentile of market rate, from the 2006 Utah Child Care Market Rate Study, Utah Department of Workforce Services, 2006.

⁵ Average price of 2006-2007 tuition and fees for public four-year colleges by state, from the College Board, *Trends in College Pricing, 2006*.

(http://www.collegeboard.com/prod_downloads/press/cost06/06-pricing_charts.xls)

⁶ Cost of infant care in center from CCR&R data. Median income for single female householder with children under 18 from 2005 American Community Survey.

⁷ From the 2005 American Community Survey.

Child Care Fee Assistance⁸

	UT	U.S.
Number of families served	6,000	1,027,800
Number of children served	11,100	1,782,000
Number of child care providers participating	9,849	720,563
Percent of subsidized children cared for in licensed centers/homes	56.3%	73%
Percent of subsidized children cared for by relatives	40.0%	14%
Percent of subsidized children cared for in other non-regulated care	2.1%	11%

Child Care Supply⁹

	UT	U.S.
Number of centers	361	110,600
Number of accredited child care centers ¹⁰	27	11,552
Percent of child care centers that are accredited	7.5%	10%
Number of family child care homes	1,941	237,900
Number of accredited family child care homes ¹¹	9	2,106
Percent of family child care homes that are accredited	0.5%	0.9%
Total number of child care spaces	44,702	≈ 10,600,000
Percent of slots that are in child care centers	55%	≈ 69%
Percent of slots that are in family child care homes	34%	≈ 18%

Child Care Demand¹²

	UT	U.S.
Percent requests for infant and toddler care	40%	47%
Percent requests for pre-school age care	34%	31%
Percent requests for school-age care	26%	22%
Percent requests for full-time care	Not available	81%
Percent requests for part-time care	Not available	19%
Percent requests for before and after-school care	3%	12%
Percent requests for non-traditional hour care	Not available	27%

Workforce and Training¹³

	UT	U.S.
Number of child care workers (excludes self-employed providers)	2930	557,680
Average income for full-time, year-round child care provider	\$15,820	\$18,180
Number of training sessions held by CCR&R agencies for providers	Not available	≈ 74,300
Average number of providers attending per training session	Not available	8 to 46
Total number of providers trained by CCR&R agencies	Not available	≈ 505,000

Child Care Resource and Referral (CCR&R) Agencies

	UT	U.S.
Number of CCR&R agencies	7	846
Type of State Network ¹⁴		Voluntary

⁸ These statistics are provided by the Child Care Bureau (http://www2.acf.dhhs.gov/programs/ccb/data/cedf_data/05acf800/list.htm), from 2005 Child Care Development Fund data, and are derived from monthly averages. Total number of child care providers includes paid relatives and other non-regulated caregivers.

⁹ Data are provided by the State R&R Network and are derived from CCR&R data. UT state capacity data are from the 2006 Utah Child Care Needs Assessment, Utah Department of Workforce Services, 2006.

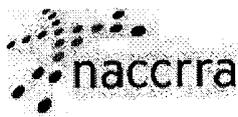

¹⁰ The national number reflects the number of accredited programs as of February 2007, provided by the National Association for the Education of Young Children. The state number was provided by the State Network and reflects accreditations in addition to NAEYC.

¹¹ The national number reflects the number of accredited programs as of December 2006, provided by the National Association for Family Child Care Centers. The state number was provided by the State R&R Network and reflects accreditations in addition to NAFCC.

¹² These data are derived from CCR&R data.
